Experience Delicious Fall Flavors at Goose Watch Winery's Annual Chestnut Festival

It's the biggest celebration of the fall season at Goose Watch Winery and we're inviting you! Come experience the Chestnut Festival on October 18th from 12pm - 5pm and celebrate the harvest of their chestnut groves in the most delicious and fun way!

Using their own chestnuts harvested from 17 acres of nut groves, Goose Watch Winery will be featuring a mouth-watering spread of food samples varying from freshly roasted chestnuts, chestnut soup and more! Also treat yourself to the fresh flavors from Cayuga Lake Creamery who will be featuring a Chestnut Ice Cream made from the same batch of chestnuts! And to really get you in the fall spirit be sure to sip on some of our mulled wine that will compliment the beautiful fall foliage of Cayuga Lake!

And there's more fun to be had! The talented Peace & Blues Trio will be playing live for you to enjoy along with the picturesque views! And if you're really looking for a delicious meal, Thurston's will be selling their BBQ sandwiches and platters, meaning there is no way you will go hungry!

Admission to the Chestnut Festival is FREE to the public with the food and beverage items available for purchase. We will also have bags of fresh chestnuts available for you to purchase (while supplies last) in our gift shop along with chestnut roasting pans and other local ingredients such as maple syrup and honey!

So gather your friends and join us for the last and most delicious fall festival of the year at Goose Watch Winery! As always, the tasting room will be open for wine tastings and featuring some great fall sales on select wines.
